## W o m e n   A r t   T o r a h   M i d r a s h

**Shalom, Women of the Book Participants,**

It is with great joy that I send you this announcement. Welcome to: [www.WomenoftheBook.org](http://www.WomenoftheBook.org)

Thank you for all of your emails, essays, photos, dedication. The website went live last night. I know that there are still many adjustments and additions to be made. Please check your artist page (if it is live) and let us know about any corrections we may need to make. And if you have not yet sent your information, I hope you will feel inspired even amidst your busy schedule! We will continue to upload new material as it comes in.

Additionally, we are happy to announce any shows, books, events etc of which you may be apart. Please send us a link and we will try to keep posting them on the site under "news and events". It is my vision that this website will also serve as a building block for a global community of Jewish women artists. I am so thrilled to know that you will now have a chance to "meet" each other.

You are all invited to the Hanukkah event below. Though we know that many of you are far away, we invite you in spirit.

Wishing you a Hanukkah of Light and Joy,

Shoshana Gugenheim
