dabradate No Lackawanna No Mo' Erie Lackawanna but the station is
still there all the same the one through the wetland to our favori
te city NYC but

I am still traveling and going the other way to the
West there on the other side Xanadu the snows of
Kilimanjaro only there do we find what it is that
makes us want/wont - wanton - Wonton noodles without
the MSG oodles woodles woo wound whoa wow vow bow tao
luau lauw law raw haw hee haw howl howl bowl roll
on the dole sole soil sail sale tail tale bale bail
