

I Am Love
Cheselyn Amato, 2010

I Am Love
In the Hidden City my Vulnerability is my Power/Strength
I Am The/My Hidden City
In the Midst of the Everyday and All the Stone Fortresses/Cities of Stone,
Still the Waters Part and I am Creating
Between the Hewn Blocks/Masonry, Love Persists/is Perpetuated
See That the Walls of Stone Receive and Transmit
In the Cities, Hidden Between the Stone/Masonry Slabs, Love Persists/Flows/Pours Forth
On Love, the City Thrives, There Between the Slabs of Stone
Let Melt/Soften the Walls of Stone To Reveal/Revealing Unconditional Love
The Receptivity and Surrender of the Feminine Make Quiver The Cities of Stone
Receptivity and Surrender Render Emission and Transmission
Even Fortresses of Stone Can Receive and Conceive
Fortress and Fountain (are) (become) One
Cities of Stone are Full of Unconditional Love
Cities of Stone Can Harbor Love and Lovers
Cities Hidden within Cities of Stone Harbor Refugees
There are Cities - Hidden Within Cities - Harboring Unconditional Love
The Hidden City is Always There to Love You
Unconditional Love Between
The Quiver and the Bow, and I am the Arrow
In the Great Collective Space, The Hidden City Thrives, Unconditional Love Flows from between the
Dry Rocks of our Fortresses of Stone
The Porous Springs from the Non-Porous: Outpouring
Loves Pours Forth from Amidst the Dry Stones of Cities in the Desert
Within the Great Metropolises and in the Cities in the Deserts, Love Pours Forth
Within the Cities are the Hidden Cities where Love, Unfettered, Unhindered Pours Forth
(See/Feel) (the) Outpouring of Love from Between (the) Loins of Stone
Water Pours Forth – Love Abounds
Through this lens, All is Love
I Am Given
I Am Love
